GENERAL INFORMATION

The Town of Buena Vista Community Trails Plan consists of recreational pathways that link the Town center with schools, parks, residential areas, county, state, and federal lands. Pathways are usable for both pedestrian and cyclist. Each trail is specifically designed for sustainable, safe, public access.

Adopt a Trail

Individual and group volunteers can maintain a section of trail. Feedback is provided to the Town – noting remediation's needed as well as suggested improvements. If interested, contact Buena Vista Public Works:

bvpwadmin@buenavistaco.gov
